U.S. Department of Energy Draft GNEP PEIS Public Hearing

The Department of Energy's Office of Nuclear Energy (NE) is inviting comments related to the Draft Global Nuclear Energy Partnership Programmatic Environmental Impact Statement (GNEP PEIS). Comments will assist DOE in finalizing the PEIS. The PEIS assesses the potential environmental consequences of the reasonable alternatives to support expansion of domestic and international nuclear energy production while reducing the risks associated with nuclear proliferation and reducing the impacts associated with spent nuclear fuel requiring geological disposal. No siting decisions will be made based on the PEIS. DOE will conduct public hearings to discuss issues and receive comments as follows:

Thursday, December 4
Aiken Technical College
Building 700 - Amphitheater
2276 Jefferson Davis Highway
Graniteville, South Carolina 29829
Open House: 6:00 - 7:00 p.m.
Public Hearing: 7:00 p.m.

The public hearings will include brief presentations about NEPA and the GNEP program, followed by an opportunity for oral public comments. Public comments on the Draft PEIS will be accepted through the end of the public comment period on December 16, 2008.

Comments on the Draft PEIS can be submitted by mail to
